Summit County Business Physical Distancing Protocol

*Must be completed for each facility or work site. Updated: 8/18/20*

Business Name: SUMMIT FIRE & EMS AUTHORITY

Facility Address: 0035 COUNTY SHOPS RD

Approx. gross square footage of space open to the public: 100

**Businesses must implement all applicable measures listed below, and be prepared to explain why any measure that is not implemented is not applicable to the business. For businesses that are subject to more specific regulatory rules established by another agency (DORA, CDPHE, etc.), those must also be followed.**

**Signage**

- Signs have been placed at each public entrance of the facility or work site to inform all employees and customers that they should: avoid entering the facility or location if they have a cough or fever; maintain a minimum six-foot distance from one another; sneeze and cough into a cloth or tissue or, if not available, into one's elbow; and not shake hands or engage in any unnecessary physical contact.  
*[sign template attached]*

- A copy of this Physical Distancing Protocol has been placed at each public entrance to the work site.

**Measures To Protect Employee Health** *(check all that apply to the facility or work site)*

- Provide work accommodations for people who are at risk of severe illness from COVID-19. <https://www.cdc.gov/coronavirus/2019-ncov/need-extra-precautions/index.html>
- All employees have been told not to come to work if experiencing symptoms that indicate possible COVID-19 infection including: fever (>100.4°F) or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or

**Measures To Prevent Crowds From Gathering:** (check all that apply to the facility or work site)

- Many businesses and activities have guidelines that mandate how many persons can be in a venue at a time. Where such specific guidelines are available, businesses and activities must follow those protocols. For businesses/activities that do not have specific guidelines, the following formula may be used. (*Gross square footage of space - square footage of shelving, equipment, displays, etc. / 100 sq ft per person*).

*For example, if you have a 5000 sq ft customer area and 20% (1000 sqft) is shelving, etc. (5000sqft – 1000sqft) / 100sqft per person=40 persons.*

This formula guides business/facility managers to a reasonable number of persons that may occupy a business or venue while maintaining 6-feet of physical distance to others.

Maximum number of persons allowed in this venue:

- An employee is monitoring the entrance to ensure that the maximum number of customers in the facility set forth above is not exceeded.

- Optional—Describe other measures:

**Measures To Increase Sanitization** (check all that apply to the facility or work site)

- Hand sanitizer, soap and water, or effective disinfectant is available to the public and employees at or near the entrance of the facility or work site, at checkout counters, workstations, and anywhere else where people have direct interactions. Location(s) include:

- Disinfecting wipes or spray that is effective against COVID-19 are available near workstations and all high-contact surfaces (including payment portals, carts, baskets, pens, shared tools, heavy equipment, etc.). Location(s) include:

- Employee(s) have been assigned to [clean/disinfect](#) all high-contact surfaces frequently.

Break rooms, bathrooms, and other common areas are being disinfected on the following schedule:

<input type="checkbox"/> Break Rooms	
<input type="checkbox"/> Bathrooms	
<input type="checkbox"/> Other	

Optional — Describe other measures:

**Measures To Prevent Unnecessary Contact** (check all that apply to the facility or work site)

Contactless payment systems have been provided or, if not feasible, payment systems are sanitized regularly. Describe:

Curb-side drop-off/pick-up of products is available.

People are prevented from self-serving any items that are food-related (including bulk food, plates, cups, lids, etc.).

Optional—Describe other measures (e.g. providing senior-only hours, shields):

**Measures To Reduce Exposures in Employee Transportation** (check all that apply to the facility or work site)

When passengers from separate households share a vehicle (carpool) the following criteria is promoted/expected:

Hand sanitizer is used by each passenger when entering the vehicle.

The number of passengers has been reduced by 50% of the vehicle's occupancy, and passengers sit in locations to maximize the distance between one another.

All passengers will wear a non-medical, cloth face-covering.

Windows will remain open and ventilation is increased.

All high-contact surfaces of the vehicle will be disinfected at the end of each day.

---

*Any additional measures not included here should be listed on separate pages, which the business may attach to this document.*

Employees, customers and other interested parties may contact the following person with any questions or comments about this protocol:
